What is Scrip?

Each family with a child above Pre-K is required to purchase \$7,500 in scrip or pay \$375 to buy out of this purchase. The term scrip is used to describe gift cards that the school purchases at a discount and sells for face value for a profit. Scrip is given to parents according to the plan picked on the scrip form. There is a list of vendors who we engage to provide gift cards at a reduced cost to the school, generally 5%. The \$375 represents the 5% the school profits on the \$7,500 purchase of these gift cards should you choose not to participate in the program.

How is building fund charged?

Each family with a child above Pre-K is required to pay the building fund once in their family's 'lifetime' at Moriah. A family can either pay \$7,000 up front in the first year (K), or split it over 5 years for a total of \$8,500 (\$1,500, \$2,000, \$2,000, \$2,000 and \$1,000)

Can I change my child's lunch selection?

Lunch can only be changed during the months of September, October and January. If you call for a change in September/October it will take effect on October 1/November 1 and January changes will take effect February 1. If you choose lunch for the full year the charge will be \$975. Anything less than the full year will be charged at \$6.50 per day. The cost for Pizza lunch is \$230 for the full year.
